

CarFit Event for Mature Drivers

Peninsula Seniors and Law Enforcement Together (S.A.L.T.) are sponsoring a CarFit event from 9 a.m. to 12 p.m. on Thursday, June 16, in the main parking lot of:

Northside Christian Church
1300 George Washington Memorial Highway
Yorktown, Virginia 23693

This free community-based educational program is designed to help mature drivers assess how well they and their cars "fit" together and what actions senior citizens might take to improve that fit. Proper fit in your car can greatly increase the driver's safety and the safety of others. At the CarFit event, a team of trained professionals work with each participant to ensure they "fit" their vehicle properly for maximum comfort and safety through a 12-point check-up that takes about 20 minutes.

The CarFit program was created by the American Society on Aging and developed in cooperation with the American Automobile Association, AARP, and the American Occupational Therapy Association.
